W. S. S. F. Secretary Visits P. C.

Miss Sarah Webb, speaker for the World Students Service Fund, was a campus guest on Monday the 24th. Miss Webb is one of four traveling secretaries on a tour seeking funds for the organization. She has as her division, colleges in the Western section of the United States.

Miss Webb graduated from West Union College, and did post-graduate work in Theology at Northwestern University. Prior to her acceptance of work with the World Student Service fund, she served as assistant-professor in Philosophy and Theology at Stephens College, Columbia, Mo.

As speaker for chapel, Miss Webb spoke of the various uses made of the money the organization receives. At dinner she extended an invitation to all to see her war pictures, and to speak with her informally at the afternoon tea sponsored by the Y.W.C.A.

Joyce Perisho, Betty Ann Craven, Kathleen Repp, and Mary Frances Nordyke opened the tea at which Miss Webb was guest with a song. Charlotte Macy followed the quarter with a piano-log accompanied by Mildred Ha-

Joseph Reece Speaks to S. B.

Joseph G. Reece, General Superintendent of the Friends' work in Washington, Oregon and Idaho, spoke to the Student Body on Wednesday, November 3.

A most interesting report of his recent visits to Cleveland Bible Institute, Cleveland, Ohio and to Friends University, Wichita, Kansas made up the introduction.

Mr. Reece challenged the group with the question "What should a Christian do?" He cited two verses of Scripture taken from the Words of Jesus to the rich young ruler, "One thing thou lackest." and the other from the words of Paul "This one thing I do!"

Two things a Christian must do and lack not if he is to be a real christian. He must make his life attractive. And the person who is a real christian must be consecrated. Mr. Reece showed how these two things must be a part of every life and not just that of the ministers or church leaders. Too often when choosing a profession, a young person asks "What does the position have to offer?" when he should be thinking "What can I offer it."

News Briefs

Privates and Mrs. Earl Craven were visitors on the campus one day last week. Earl is a former student of Pacific College and is now in the Medical Division of the Army Air Corps, stationed at Salt Lake City, Utah.

Terrell and Kathleen Repp spent last week-end in Tacoma, Washington, visiting Kathleen's parents, Rev. and Mrs. Clark Smith.

Jimmy Armstrong was among visitors at P. C. last week. Jimmy is at the Elkton C. P. C. camp at Elkton, Oregon.

Cpl. Melvin Ashwill, also an ex-student of Pacific, left Tuesday for Florida, after a weeks visit with his wife and small daughter of this city. Melvin is in the meteorology department of the Army Air Corps.

Mr. and Mrs. Dorwin Smith are the proud parents of a daughter, born October 25.

Trefian Initiates New Members

New members of The Trefian Literary Society were initiated at the regular meeting, Wednesday, October 27.

Nine initiates were first asked to demonstrate their skill in using their noses to push dominoes across the floor. After this outstanding feat, they were blind-folded and undertook to feed each other potato chips with a spoon. Faces were cleverly messed up preceding a candy and peanut feed.

New members are: Geraldine Tharrington, a junior transfer from Macpherson College, Kansas; Imogene Degner, Dorothy Baird, Naomi Wiley, Shirley Marshall, Vera Jones, Eloise Fowler, and Marcia Jones, Freshmen; and Viola Nixon, Junior.

This brings the membership of the society up to a total of 22 girls, reports the president Wilma Archambeau. Meetings will be held every other Wednesday in the parlor of Canyon Hall.

Former Students Welcome At 1943 Homecoming

Afternoon Program Featuring Inter-Class Sports

Sophs Throw Halloween Party

The gym was cleverly decorated with corn stalks, pumpkins, maple leaves and ghosts for the Halloween party was given for the students and faculty by the sophomore class, Friday night.

The guests were greeted at the door by ghosts and escorted to the old chest at the other end of the building to see the latest victim, suspended from the basketball backboard. Following the arrival of the last guest, three small groups were formed and games were played.

The high lite of the evening was the conclusion of Freshman initiation, which was held over until this time.

Refreshments of cider and doughnuts were served at the close of the evening.

Background music and sound effects were furnished throughout by noisemakers and weird piano numbers.

Carey And Roberts Visit Medford Church

Professor Grevals Carey and Arthur Roberts were with the group who drove to Medford and Sprague River, Oregon last week-end.

The group consisting of Joseph Reece, Superintendent of Oregon Yearly Meeting; Walter Cook, Superintendent of the Salem Quarter; Gervias Carey, chairman of the Evangelistic and Church Extension Board; and Arthur Roberts, Superintendent of Oregon Christian Endeavor, were attending the services celebrating the first anniversary of the Church at Medford. Milo Ross holds the pastorate of this church. They spent Monday at Sprague River, where Everett Tuning is the pastor of the Outpost.

The fifty-third annual Homecoming of Pacific College will be held November 11 on the Campus. Charlotte Macy and Mildred Haworth are serving as co-chairmen for the event.

Registration and open house will open the day. Registration will take place in the library with Doris Manning, and Betty June Ruden acting as registrars. A tour of the campus and buildings will highlight the morning.

Considerable interest has been aroused in the afternoon activities by George Bales, Mahlon Macy and Jack Willcuts, who are in charge of the afternoon program. Rumors have been floating forth from mysterious ceremonies that the bear may even make an appearance.

Betty Ann Craven and Margery Wohlgenuth are co-chairmen of the Banquet committee. Emerging triumphant from a struggle with ration points, they announce that the dinner will be on a par with banquets of former years.

George Bales and his as yet un-named pep band will provide music for the evening's entertainment in Wood-Mar Hall Auditorium. All students will participate in the satiric opus which will climax the day's activities.

College Aids Nut Harvest

Walnuts rolled merrily into sacks Thursday, Oct. 28, when the P. C. gang turned out to help local farmers harvest their crop of walnuts.

Classes were dismissed for the day and students and faculty members were organized into groups. They met at the administration building and were taken by trucks and cars to the Bales, Gulley and Mills orchards shortly after eight o'clock.

Girls displayed an array of bandanas and boys and girls alike showed up in overalls and finger-nail polish for protection against such things as damp earth and walnut stain.

Tired, but happy they straggled home during the afternoon, and each was glad to have helped the farmers during the labor shortage.

Money earned will go to some worthy cause which will benefit the entire college, it was decided in a short student body meeting the day before.

MORE SOCIAL LIFE

Congratulations go to the Sophomore Class on the good work done on the all-school Halloween party given in the gym last Friday night.

Students and faculty members alike enjoyed one of the most interesting and unusual parties any group of students has undertaken this year—even the seniors let down their hair and became young again to take part in the fun.

P. C. needs more social life of this type—and above all it needs whole-hearted cooperation for such things.

Give the sophs a cheer and take heed of what can be done with conscientious effort and support of others. Homecoming is next, let's see if we can make it just as successful.

W. S. S. F.

You have a college to attend—there are many who do not. You have access to all the books you can read—there are many in the world who do not. You can enjoy freedom of speech, religion, education—there are many in the world who are in prison camps, who are interned in a foreign country, who are refugees without home or friends. Is it not our Christian obligation to relieve the mental and spiritual sufferings of less fortunate students in the world?

We can help them through the World Student Service-Fund, a non-political, non-sectarian organization formed in 1937 to help students carry on an education under war-time stress and strain. Books and money are sent to students in every country in the world. Students of every nationality are aided.

We voted in Student Body Meeting to help this cause. The freshman class has already given \$35. Have you donated your share yet?

Library Receives New Books

Pacific College Library was honored recently to receive the ministerial library of the Rev. C. C. Rarick, Methodist Minister. This collection of some 200 books will be used by the theology students at the college. Professors in various departments also are receiving books from the collection.

Would you give a pint for a life.

Mr. Cressman Holds Meetings

Lloyd Cressman returns today to his pastorate at the Friends Church in Newberg, after conducting a series of evangelistic services.

The meetings, held at the First Friends Church in Portland, where Ray Carter is pastor, started October 20, and lasted through the 31st.

Pacific students and faculty members as well as many Newberg Friends attended the meeting.

Chapels

CHARLES HAWORTH

The Spanish students received a mental workout after class recently when Charles Haworth, Spanish professor of Willamette University at Salem, Ore, spoke in chapel on "The Spanish Bible". The address was intensely interesting to all as he brought out the differences of meaning in a number of well known scripture passages, between the English and Spanish translations. Many Spanish descriptive words appear in numerous parables, says Professor Haworth, that changes the entire meaning and historical setting and thus adding a real thrill and blessing when reading familiar passages for the first time in Spanish. He encourages all who could read Spanish to purchase a Spanish Bible and start reading.

PROFESSOR HUTCHINS

One of the best chapel speeches ever given at Pacific was heard recently when Professor Hutchins spoke on the pertinent subject, "Qualities of an Educated Man or Woman." We learn by degrees, not by 'Degrees' was a thought provoking introductory remark. Education does not cease at graduation time, was the meaning implied. Mr. Hutchins suggests that a truly educated person is characterized by three things, (1) by what he wants, (2) by what he can do, (3) by what he is becoming. The wants of an educated person should be at least three fold in their scope. "He wants to know the truth for its own sake . . ." says Mr. Hutchins. Secondly the educated person wants to experience harmoniousness in sight and song. Be able to see God express-

ed in art, lakes, and music is the ultimate aim. Thirdly an educated person wants to be a better person, a real and complete person not fractional. In considering things an educated person can do, Mr. Hutchins mentioned four essentials. "Learn to read! Master the mechanics of reading!" He suggested that many college students cannot read any faster or more comprehensively than when they were in the upper grades in grade school.

"Read fiction, poetry, drama, philosophies, magazines (discriminantly) read the Bible," urges Mr. Hutchins.

Next he mentioned that the educated man must learn to write. Write letters, good letters to your friends. Write to your congressmen. Write for periodicals sometimes or write a book.

Thirdly, one must learn to listen if he becomes an educated individual. He must do more than listen, he must listen discriminantly. He must listen to lectures with both appreciation and skepticism. He should listen with the attitude, "I'll see for myself." He should not listen to everyone as though he were authoritative but thinks for himself.

Again, he "looks" at life with a perspective. He sees life in the light of the biological, zoological, and historical aspects. He considers himself the master of the

Genevieve Cole of Portland was the speaker at Y. W. on October 20th.

Mrs. Cole has served as secretary of the Portland Y. W. C. A. in the past few years. She told of the various phases of the work of the Portland Y. and gave a sketch of the history of the Young Women's Christian associations in all parts of the world.

To conclude her talk, she read a few short poems which gave us a picture of the racial problems we, as group of Christian women, will find facing us from time to time.

On Tuesday, October 26, the program for the meeting consisted of a panel discussion conducted by Charlotte Macy and Mildred Haworth on the problem of helping in the World Student's Service Fund.

The Y. W. is very interested in this project and is thinking of ways in which they can assist in the campaign.

Y M C A

The Young Men's Christian Association met on Tuesday last week, and after a good song service, Rev. Denver Hedric brought a message on the subject of the Abiding Presence of the Holy Spirit. The message was a great source of inspiration to all the boys present. Rev. Hedric was surprised to meet boys here whom he had met in other states where he held meetings.

The previous week the group was challenged with a message from George Moore, showing the need in the Oregon vicinity for Christian service and outpost work.

Attendance this year is almost 100 per cent.

worth. Geraldine Tharrington and Betty Ann Roberts provided background music for the tea.

Pictures of war prison camps, names of some of the prisoners helped by the fund and the organization budget were shown by the speaker. Discussion as to the possibilities of a campaign here at Pacific College was led by Miss Webb, who offered many practical suggestions, and gave examples of what other colleges were doing. After appointing a committee to bring the matter to the attention of the Student Body Council, and other organization committees, the group dispersed.

I had twelve bottles of whiskey in my cellar and my wife told me to empty the contents of each and every bottle down the sink, so I said I would, and proceeded with the unpleasant task.

I withrew the cork from the first bottle and poured the contents down the sink, with the exception of one glass, which I drank. I extracted the cork from the second bottle and did likewise, with the exception of one glass, which I drank. I then withrew the cork from the tairu bottle and emptied the good old booze down the sink, except a glass which I devoured. I pulled the cork from the fourth sink and poured the bottle down the glass, which I drank.

I pulled the bottle from the cork of the next and drank one sink out of it and then threw the rest down the glass. I pulled the sink out of the next glass and poured the cork down the bottle. I pulled the next cork from the throat and poured the sink down the bottle and drank one glass. Then I corked the sink with the glass, bottled the drink and drank the pour.

When I had everything emptied I steadied the house with one hand and counted the bottles and corks and glasses with the other, which were twenty nine. To be sure, I counted them again when they came by and I had seventy four, and as the houses came by I counted them houses and bottles and corks and again, and finally I had all the glasses counted except one house and one bottle, which I drank.

Volley Ball Prospects Good

The girls enrolled in Physical education and now participating in Volley-ball have not seen much action yet, but are looking forward to an interesting program in the near future. Still competing with the tire shortage and gas rationing, the team will not be able to travel any distance for games as they have done in the past. However, games are being arranged with some of the neighboring high schools and with the closer colleges.

There are very good prospects for a team this year. Returning letter-girls include Alice Booth, Mildred Haworth, Joyce Perisho, Doris Manning, Mary Frances Nordyke and Edith Phipps. These girls are finding strong competition for their positions from some of the newer girls.

The W. A. A., instructor and the manager are busy arranging a definite schedule for games with Reed College, Pacific University, Dayton, Lafayette and Dundee high schools and a Volley ball night game with Newberg High School. Besides these some inter-class games will be scheduled from time to time.

The interest in Volley-ball has been evident in spite of the handicapped conditions under which they must play.

Miss Fern Nixon Honored At Shower

Fern Nixon, bride-elect of Arthur Roberts, was pleasantly surprised Thursday evening, Oct. 28, at a lovely bridal shower given by Hazel Mary Houser.

The Houser home was cleverly decorated for the occasion with miniature umbrellas, maple leaves and acorns. Gifts were arranged under an umbrella decorated with ribbon and maple leaves.

Following an evening of pleasant conversation and games, Fern opened the many beautiful and useful gifts given her by the group.

Refreshments of angel food cake, jello and cocoa were served later.

Guests for the evening included: Fern Nixon, honor guest; The mesdames Jessie Cole, Guy Nixon, Mahlon Macy, Ivan Adams and C. A. Houser; and Misses Doris Maxwell, Geraldine Aharrington, Mary Frances Nordyke, Florence Mardock, Betty Dixon, Viola Nixon, Doris Mannig and Mary Sutton.

M. A. A. Fills Vacant Offices

The first M. A. A. meeting was held last week in the dungeon. Elections were held to fill the positions of Secretary and Treasurer. Orrin Ogier was elected Secretary and Everett Craven was chosen Treasurer. These places were left open by boys who failed to return to school this year.

The group discussed buying some new basketballs and other equipment for men's athletics.

Somewhere in the South Pacific—Pharmacist's Mate First Class John F. Gearin, former basketball star at Pacific College, was recently promoted to his present rank by the United States Navy.

The Bachelor of Science Degree holder from Pacific is on duty with the Marine Corps. He enlisted in May, 1942.

Edith Phipps Hostess To W. A. A. Oct. 22

Miss Edith Phipps was hostess Friday evening, October 22, at a lovely chicken dinner for the girls of the Women's Athletic Association of Pacific College. The affair took place at Edith's home on West Third Street.

Places were set for Mrs. Allen, advisor for the group, and members, Marcia Jones, Margery Wohlgemuth, Betty Ann Carven, Betty June Ruden, Imogene Degener, Doris Manning, Betty Svendson, Joyce Perisho, Charlotte Macy, Ruth Vasey, Eloise Fowler, Vera Jones, Eleanor Fowler, Mary Frances Nordyke, Mildred Haworth and the hostess, Edith Phipps.

Following dinner, the first business meeting of the year was held. Betty Ann Craven was elected secretary to fill the position left vacant by Mary Grace Dixon.

Managers for the major sports were named as follows: Betty Svendson, volley-ball; Marcia Jones basketball; and Vera Jones soft ball.

The president announced that volley-ball season will open officially shortly after Homecoming, and that games are being scheduled with some of the near-by high schools, with Reed College, and Pacific University. The organization is also planning a volley-ball night, at which event teams from Newberg High school will be the guests.

Before adjourning, the girls talked of plans for an all-school skate to be sponsored by the W. A. A., sometime in the near future.

Arthur Roberts Surprised At Shower

Residents of Canyon, Hoover and Weesner Halls surprised Arthur Roberts with a miscellaneous kitchen shower Tuesday evening November 2 in the dining hall at Canyon Hall.

Following dinner the group sang two songs and presented the large basket of gifts, ranging from Band-aids to cook-books, to Arthur.
